Booth University College

Educational Support Technologist

As an integral part of the technology support team serving all areas of campus including academic, and administrative, the Educational Support Technologist provides client-focused support for the installation, configuration, and ongoing maintenance of end-user technology equipment and applications. The Educational Support Technologist acts as an ambassador for the Technology department by building and maintaining relations with Faculty, Staff, Students and other clients, and ensuring consistent and high-quality delivery of Information Technology services.

SUPERVISORY FUNCTIONS: none

ESSENTIAL FUNCTIONS OF THE JOB/ROLES AND RESPONSIBILITIES:

- Provide technical support to Faculty, Staff, and Students by researching and answering questions; troubleshooting problems; and maintaining systems and technologies
- Provide training for Faculty/Staff on classroom technology
- Support Faculty/Staff/Students through training as needs/technology are required
- Create and maintain technology manuals
- Check security cameras to confirm they are always working
- Attend regular Technology Department meetings and participate in other committees and meetings as assigned by your supervisor.
- Assist with new technology projects and participate in vendor meetings as directed
- Engage in self-directed training to upgrade present skills and keep current on technologies
- Provide after-hours support as required by the supervisor
- Manage and coordinate cell phone devices and service for employees that require a mobile device for their role
- Communicate with Territorial Headquarters (THQ) Service Desk regarding centrally managed email and phone system, password resets, and other offsite-managed systems
- The job functions above will support various systems including but not limited to:
 - Video and Audio Conferencing
 - Card access and student card system
 - Security cameras
 - Recording equipment
 - Copiers/printers
 - Virtual terminals
 - Digital signage

About Booth University College

Booth UC is a Christian university college located in Winnipeg, Manitoba (Canada) and rooted in The Salvation Army's history of meeting the needs of the most vulnerable in society. As an open-enrollment institution, we welcome students from many different backgrounds, cultures, and countries. Deeply committed to social justice, we blend Christian faith and rigorous scholarship with a passion for service. Our approach to learning is anchored in academic excellence and based on a vision of social justice, hope, and mercy for all. We are committed to our mission: **Education for a Better World.** This is described in our mission statement:

William and Catherine Booth University College, a Christian university college rooted in The Salvation Army's Wesleyan theological tradition, brings together Christian faith, rigorous scholarship, and a passion for service. The University College educates students to understand the complexities of our world, to develop the knowledge and skills necessary to be active contributors to society, and to know how the Christian faith compels them to bring hope, social justice, and mercy into our world.
