To All Ministry Unit Leaders

Greetings,

We are very fortunate in the Canada & Bermuda Territory to have our very own Christian University College. Booth University College is a growing academic center of excellence and learning. The offering to the Territory and beyond is impressive. Many in our Territory and global Army have benefitted from the high-quality programs and courses offered at BUC.

As described by the mission statement, Booth University College is a Christian university college rooted in The Salvation Army's Wesleyan theological tradition. It brings together Christian faith, rigorous scholarship and a passion for service. The University College educates students to understand the complexities of our world, to develop the knowledge and skills necessary to be active contributors to society and to know how Christian faith compels them to bring hope, social justice and mercy into our world.

Sunday, October 18, 2026 has been designated Booth University College Sunday. I am inviting all Ministry Unit leaders and particularly Corps Officers to please feature the brief video, available in the embedded link (<https://youtu.be/UehwTULpVdY>), in your worship services, promoting the school. I would be grateful if all Ministry Unit leaders would find an appropriate forum in which to share the video in your setting promoting the school.

We are privileged to have Rev. Dr. Rob Fringer, President of Booth University College, leading our school. Together with his deeply committed faculty and staff, they are ensuring that Booth UC, exists to engage with faith, equip for service, and empower through education . . . so that hope is embodied, mercy is experienced, and social justice is expanded.

Thank you for featuring the video on October 18 and thank you for doing all that you can to promote the Booth University College.

God bless you.

Commissioner Lee Graves
Territorial Commander
Chancellor, Booth University College
