Scripture Search

1. Click on the scripture link to begin
2. Browse through the books of the Bible until you find the one you want.
3. Click on the book title to find articles on the entire book.
4. Click on the [Expand] link beside the Book title to narrow the search to a particular chapter.
5. Click on the chapter title to search for articles on that section of scripture (recommended)

You can add Keywords to the resulting search to narrow your search even further.

For example: the screenshot below shows a search in Deuteronomy 10 and the keyword “women” added after it to find only articles about women in that chapter.
