# BUILDING A BETTER BOOTH UC WITH HOPE, MERCY AND JUSTICE

We are building our community, one brick at a time, with the Bricks  
in the Bistro Donor Wall Fundraising Campaign.

This Donor Wall Campaign gives you the opportunity to donate a brick on the Donor Wall, and commemorate someone or something special in your life, like you, your family, honour a loved one or a recent grad. You may even wish to recognize your grad class, or favourite professor on a brick, as part of our 2'6" x 10' donor wall in the Booth UC Bistro.

With our current pandemic circumstances, the Donor Wall will be virtual, located on our Booth UC website. The physical Donor Wall will be unveiled at Booth UC's 40th anniversary celebration in 2022.

You have the opportunity to build our community by purchasing one the following bricks now, or in payments over one year:

**HOPE: \$250**

A person or thing that gives hope or promise for the future ("Hope, N4b")\*

**MERCY: \$500**

An event or circumstance calling for special thankfulness ("Mercy, n.5")\*

**JUSTICE: \$1,000**

Rightfulness; fairness; correctness ("Justice, n.9a")\*

\* All definitions taken from the Oxford English Dictionary

Booth UC educates students to understand the complexities of our world, to develop the knowledge and skills necessary to be active contributors to society and to know how Christian faith compels them to bring hope, social justice and mercy into the world.

Together we can build our Booth University College Community and send more students out into the world to impact their communities with Hope, Mercy and Justice. Thank you for being an important part of Education for a Better World.
